

## **Ocean Strider Yacht Projects Limited**

### **Warranty Terms – Systems Installations**

#### **1. Parts Warranty**

All parts supplied are covered under the respective manufacturer's warranty terms and conditions.

#### **2. Workmanship Warranty (OSYP)**

All installation and system work carried out directly by Ocean Strider Yacht Projects (OSYP) is guaranteed for a period of 12 months from the completion date or satisfaction note date, whichever applies.

#### **3. Subcontracted Work**

Any work performed by approved subcontractors on behalf of OSYP is also guaranteed for 12 months from completion, or under the subcontractors' own warranty terms and conditions, whichever comes first.

#### **4. Equipment or Material Failure**

Failure of any system due to supplier-provided equipment or materials will be covered only under the manufacturer's warranty terms and conditions. OSYP does not accept responsibility for any labour costs associated with the repair, removal, or replacement of such items. These costs remain the sole responsibility of the end purchaser.

#### **5. Structural or Substrate Failure**

Any failure resulting from the structure or substrate of the yacht, or the equipment being worked on, is not covered under this warranty.

#### **6. External Equipment Failure**

Failure of any equipment not directly connected to the installed system is not covered under this warranty.

#### **7. Shipping, Freight, and Customs**

All freight, customs duty, and brokerage costs are the sole responsibility of the systems purchaser, unless the manufacturer agrees in writing to cover these costs.

#### **8. System Servicing and Maintenance**

All systems require annual servicing and inspection, or as specified by the respective product manufacturer's terms and conditions. This service will be charged at Ocean Strider Yacht Projects Limited's standard hourly rate and will include any applicable travel time and the collection of required parts.

#### **9. Modifications and Third-Party Work**

Any modification, alteration, or repair of the installed system by a third party without the prior written approval of OSYP will immediately void this warranty in full.

#### **10. Warranty Claims Procedure**

All warranty claims must be submitted through the **contact form on the Ocean Strider Yacht Projects website**. Upon receipt, OSYF will acknowledge the claim within five (5) working days and provide guidance on next steps or inspection arrangements.

#### **11. Warranty Transferability**

This warranty applies solely to the original purchaser and the vessel as supplied. It is **not transferable** to any subsequent owner in the event of sale or transfer of the vessel within the warranty period.

#### **12. Environmental Conditions and Neglect**

Damage or failure resulting from environmental exposure (including but not limited to corrosion, saltwater ingress, vibration, or impact), improper maintenance, neglect, or misuse of the system is not covered under this warranty.

#### **13. Limit of Liability**

OSYP's total liability under this warranty shall in no case exceed the total value of the work originally invoiced and paid for by the customer. Under no circumstances shall OSYP be liable for consequential, indirect, or incidental losses, including but not limited to loss of use, charter revenue, or other commercial damages.

#### **14. Governing Law and Jurisdiction**

This warranty and any dispute arising from it shall be governed by and construed in accordance with the laws of **Grenada**. Any disputes shall fall under the exclusive jurisdiction of the courts of Grenada.
